EDUCATION

Ph.D. Candidate | Psychological and Brain Sciences
Advisor: Mark A. Thornton

August 2022 – Present

M.A. | Psychological and Brain Sciences, Dartmouth College
Estimating Multimodal Redundancy in Conversational Speech
Committee: Mark A. Thornton, Luke J. Chang

August 2024

B.S. Psychology, University of Texas at Austin

Spring 2017 – May 2020

B.S. Psychology, University of Texas at San Antonio

Fall 2015 – Fall 2016

PUBLICATIONS

RESEARCH EXPERIENCE

SCRAP Lab, Dartmouth College Doctoral Researcher	August 2022 – Present
SCRAP Lab, Dartmouth College Lab Manager	August 2020 – July 2022
Lewis-Peacock Lab, UT Austin Undergraduate Research Assistant	May 2018 – May 2020
Gonzalez-Lima Lab, UT Austin Undergraduate Research Assistant	August 2017 – May 2018
Henderson Lab, UT Austin Undergraduate Research Assistant	Spring 2017

FELLOWSHIPS AND GRANTS

Undergraduate Research Fellowship <i>The Augmentation of Cognitive Control with Low-level Light Therapy</i>	Spring 2019
--	-------------

TECHNICAL SKILLS

Programming languages • Python (advanced) • R (intermediate)
Software development • Design and use of pip-installable Python packages for psychology research methods • Collaborative software design with Git
Data analysis and computational modeling • Methods in machine learning, deep learning, multiple regression, representational similarity analysis, permutation testing, exploratory factor analysis, principal components analysis, graph theory, audiovisual processing
Social signal processing • Implementation of deep neural networks for the extraction of human body pose, facial expression, facial identification, speech transcription, dynamic semantic embeddings • Multimodal data acquisition and integration: audiovisual data alignment, multi-device recording systems, audio source separation
DMX512 stage lighting automation • Design and implementation of automated audio-reactive stage lighting systems (Python, TouchDesigner)
Visual effects and videography • Proficiency in Adobe Premiere, Adobe After Effects, Blender, DaVinci Resolve

TALKS

Bulls, L. (October 2024). *Automated Speech Diarization and Transcription for Naturalistic Conversation Research*. Dynamic Interaction Methodologies Symposium, University of California at Los Angeles, Los Angeles, CA.

Bulls, L. (July 2024). *Multimodal Data Acquisition in Naturalistic Group Conversations*. Lab Meeting (PI: Kevin Ochsner), Columbia University, New York, NY.

TEACHING ASSISTANTSHIPS

PSYC 53, Social Psychology Prof. Kiara Sanchez Dartmouth College	Winter 2025
PSYC 53, Behavior of Groups (Volunteer) Prof. Melissa Herman Dartmouth College	Spring 2024
PSYC 10, Experimental Methods in Psychology Prof. Jamshed Bharucha Dartmouth College	Summer 2024
PSYC 23 Social Psychology Prof. Mark Thornton Dartmouth College	Winter 2024
Neural Systems II Prof. Michael Drew University of Texas at Austin	Spring 2020

LECTURES

<i>Conversation Analysis</i> PSYC53, Behavior of Groups Prof. Melissa Herman, Dartmouth College	April 2024
<i>Conversation</i> PSYC23, Social Psychology Prof. Mark Thornton, Dartmouth College	W 2024, W 2025

MENTORSHIP

Marissa Benz (Dartmouth College)	2024 – Present
Katherine Jia (Dartmouth College)	2023 – 2024
Bupe Mwalongo (Dartmouth College)	2022 – 2023
Brandon Dormes (Dartmouth College)	2022 – 2023
Julia Martin (Dartmouth College)	2022 – 2022
Caroline Conway (Dartmouth College)	2021—2022

OUTREACH

Science Day at Dartmouth, Hanover, NH	April 2023
Teacher, Discovery Science Place Summer Camp, Tyler, TX	Summer 2017

WORKSHOPS AND SUMMER SCHOOLS

Neurohackademy, University of Washington, Seattle, W.A.

Summer 2023

PROFESSIONAL AND DEPARTMENTAL SERVICE

Social Lab (SLAB) Talk Series Co-Organizer
Dartmouth College | PBS

2024 – Present

Consortium for Interacting Minds (CIM) Talk Series Co-Organizer
Dartmouth College | PBS

2024 – Present

Social Committee Member
Dartmouth College | PBS

2024 – Present
